But Haren (4-1) was the real star. He hit a two-run double and scored later in the second and added a single and run scored in the fifth. He did the rest of his work on the mound, allowing two runs and eight hits in seven innings to extend his strong start to his Marlins career after contemplating retirement following his offseason trade from the Dodgers to Miami.

He commented that biases in how the subjects were selected might mean that the findings

did not reflect the wider population. In particular, to get their 10 million users the researchers first excluded the 30% of US Facebook users who visit on fewer than four days each week - as well as the 91% of adult users who do not declare their political affiliation.
