By acknowledging the feelings and thoughts that we have, and gently redirecting our attention to the positive, we can lessen the stress we are experiencing. Escaping the feeling of being crushed under extreme stress can prompt us to make better choices, maximising the opportunities ahead. The stress response can create resilience – the root, perhaps, of the old saying that what doesn't kill you makes you stronger.

The GL-10 Greased Lightning is a ten-engine, battery-powered prototype with a ten-foot wingspan that can change its shape midair to fly either horizontally or vertically. This month, NASA announced it recently took off vertically and, for the first time, successfully rotated its wings to transition from "helicopter" mode to standard "wingborne" flight.

But it also has something to do with his confidence. When I've seen him play for Wales he cuts loose. At Real he looks more reserved. For Wales he is the star and takes on

everything but he doesn't have to travel too far with the ball at Real because there are top players all around him he can give it to.

One candidate who has captured more attention than respect is Magdalena Ogorek, the 36-year-old candidate for the Democratic Left Alliance. Though she has a doctorate in history, the former actress and TV presenter has no real political experience and many commentators have dismissed her as a light-weight. She has not helped her own cause, appearing recently at a fashion show wearing a decidedly un-presidential outfit: a flimsy petticoat-style dress with straps that ended well above the knees.
